

All of me

Music & lyrics Phil Walton © 2006

I see your smiling face
Behind the colour of your soul
There can be no disgrace
No matter what you see

Take a chance on me
Let your feeling flow
And send them all to me
Don't try to hold it close
Let it flow away

All of me I will give to you
Come to me I will rescue you

The loneliness of love
Disguised in ways you cannot hide
Is flying far above
No matter where you go
Don't hold back on love
Hiding all away
Just give it all to me
Don't try to hold it close
Let it flow away

All of me I will give to you
Come to me I will rescue you
Please don't fly away
